

# SOPHIA OLSON

I'm an **artist**, **designer**, and **illustrator** from Bozeman, Montana. With a passion for both traditional and digital media, my work spans many mediums, blending digital skills with a strong fine art foundation. My unique creative perspective enables me to tackle a wide range of design challenges and deliver **radical** design solutions. I hope to add a unique perspective to any design team, and create great things with great people!

## WORK EXPERIENCE

### Branding Consultant 2025

#### *Big Sky Tint*

- Collaborated with small business owners to design a brand for luxury car owners and created a design system to enhance communication between the business and its clients.

### Branding and Apparel Designer 2024

#### *MFPE Educators Conference*

- Communicated with the MFPE Conference committee to design a professional yet approachable brand for school teachers.
- Designed adaptable elements for presentations, event materials, apparel, and promotions.

### Visual Director 2024

#### *Aubade, Wrought, and Goodnight Callaen, Student Films*

- Designed visual assets for student films, including posters, stickers, and title-card graphics.
- Coordinated with production teams to align designs with a film's creative vision.
- Used traditional and digital techniques to create high-quality, engaging materials.

### Bakery Decorator 2023–Present

#### *Rosauers Grocery*

- Assisted clients with designing custom cakes and desserts.
- Gained store management experience, including inventory control, staff training, and supply orders.
- Developed transferable skills in project management, attention to detail, and maintaining design integrity.
